Dear Potential Home Inspector:

The rules and regulations effectuating the purposes of the "Home Inspection Professional Licensing Act" were adopted on June 3, 2002.

The Home Inspection Advisory Committee will, therefore, begin accepting applications for home inspector licensure under the "grandfather" provision pursuant to N.J.S.A. 45:8-72.

Enclosed you will find a copy of the statute and regulations governing the licensure of home inspectors, an application for licensure, instruction sheet, and reference form.

If you feel that you qualify for licensure as a home inspector under the "grandfather" provision, complete the enclosed application and return it with the requested supporting documentation to the above cited mailing address.

Very truly yours,

Home Inspection Advisory Committee
